From October 29 through November 9 a team of ten people from our own Waccamaw Baptist Association will be going on a medical mission trip to Nepal in the region of the Himalayas. We can participate in this mission trip by providing many of the items they need to take with them. This is an opportunity to be involved in missions. The items listed below can be brought to the church office so they can be carried to the associational office by October 20th.
