

with ignorant and wayward people because he himself is subject to the same weaknesses. That is why he must offer sacrifices for his own sins as well as theirs. And no one can become a high priest simply because he wants such an honor. He must be called by God for this work, just as Aaron was.”

Being a priest is not the easiest function of a pastor, but it comes with the call. So let me call upon each of you to remember that when we are prone to wander from God and His church the pastor must always come before God. Pray that he will always have a broken heart for the sheep who do not want to listen and obey. – Bro. Larry

*My Dear Church Family,*

*Truly you have taught me the meaning of family. Families love, care, laugh, morn and most importantly pray for each other in good and bad times. You have lifted me with cards, calls, overwhelming encouragement and love along with your prayers all under the watch care of Christ. John and I have been supported in my ongoing sickness in all these ways by so many. We do believe we are making progress and that we can see some improvement.*

*John and I are often asked why we don't attend a church in the North Myrtle Beach area. Our answer is "God is going to continue to do a great work in our church and He is doing it with the best family in the world, our family at Loris First!" Please know there are no words to truly express my love for you all. In Christ' love,  
Wendy Boyd*

### **From Our Associate Pastor**

Our Children's Summer Music Time began meeting last Sunday and we had a great time together. Beginning this Sunday, the children will have a preview of the Vacation Bible School Musical for this year entitled "United We Stand." This musical has a patriotic emphasis and will be presented by the children on Sunday evening, June 29. All children ages 4 – grade 5 are welcome to come to children's music time which meets at 5:00PM each Sunday. In addition to the musical, we will be doing a variety of musical activities through the summer involving playing instruments as well as singing, creative movement, and puppetry.

I also want to remind you that we have planned a monthly SUMMER CONCERT SERIES for June, July, and August. All of the concerts are free. A love offering will be taken. Our first concert will be on Sunday, June 22 at 6pm with Jamie Tolley, a southern/country gospel artist. I hope you will be here and also tell others about this event.
