"GRILLS ON WHEELS"

The Couples I Sunday School Class hosted a cookout on Tuesday for over 100 high school and college youth. Salkehatchie Summer Service Volunteers have come to our area to perform needed construction work at 8 local sites, upgrading housing conditions while reaching out to families in friendship and ministry. Housed at Loris Middle School for the week, this hungry group of youth and leaders enjoyed a cookout with all the trimmings – even homemade fries! Class members who cooked for and visited with the youth were ministered to as well as they witnessed the group's genuine courteousness and appreciation for the class's efforts. Let's remember them as they return home that they will continue to minister in the Lord's name.
