What Kind of Church Do I Want?

Perhaps a better question would be, "What kind of church am I?" And here is another question, "What kind of church would my church be if everyone in it were just like me?"

We are very quick sometimes to say what we would like for our church to be, but we often forget that we make the church what it is. If we exemplify a loving personality, then that is what our church will be. If we exemplify a reaching out church, then that is what our church will be. The same is true of negative terms. If we exemplify a very selfish attitude wanting everything to be done our way or to always suit ourselves, then that is what our church will be. Let us put into practice being the church God wants us to be and then we will see a great transformation take place.

Worship Through  **Song & Music** This Sunday evening during our evening service we will have the commencement for our Vacation Bible School, which has the theme of "God & Country".

During the commencement our children will present a patriotic musical entitled "United We Stand". Our musical will feature many of our favorite patriotic songs as well as a few that will be new. It will be a musical that celebrates our freedom and religious liberty as a country. I hope you will come and support our children as they present these songs and narration about our country.

An upcoming event that I want to remind you of is on Sunday evening, July 13 during our evening service when we will have our 2nd concert in our summer concert series. It will be a concert of our own members here at our church. We want all of you that have any interest in singing in a choir, singing as a soloist or within a group, or playing an instrument to consider being a part of this concert. We are putting together this service to include as many people as possible. This is your chance to play an instrument or sing a song that you might not have played or sang in front of a group before. If you are interested, please contact me. I would love to see "new musicians" participate in this service.

The Youth will be at Ridgecrest Camp the week of June 30 through July 5. Please pray for a safe and exciting trip for the youth and their chaperones. *The youth will share their Ridgecrest experience* with the congregation on Sunday, July 6, during the evening service.
