PLACE MINISTRY SEMINAR

(Sunday, February 2nd)

Jesus once said: "...whoever loses his life for me will find it." (Matthew 16:25) When we dedicate our lives to Jesus and live for Him, we can find the real meaning of what life is all about and the divine purpose for why God created us and was willing to die for us (Ephesians 2:10). PLACE is a part of Loris FBC's discipleship program to help both new and longtime members find their God-designed "place" in ministry within the body of Christ. God has created each of us with unique personalities and abilities. He has also given us spiritual "gifts" (the moment we were saved) which allows His divine power to work through us. By attending the Loris FBC PLACE Seminar on Sunday afternoon, February 2nd, from 12:15 - 5 p.m., Pastor Louis will help you begin the process of understanding how your life experiences and passions can be used by the Lord to advance His kingdom objectives to touch and change the lives of people around you. If you have never taken the PLACE Assessment Test, you can sign up on the list in the Bell Tower and start the process on "finding the life" God created you to live for Him. (NOTE: Lunch will be provided after the worship service and before the start of the PLACE training seminar!)

TABERNACLE OF MOSES SERIES

How the Lord created this magnificent universe, including the details of the order and timeframe in which he created it, is revealed by God in His Holy Word in primarily two (2) chapters (Genesis 1-2). However, how the Lord designed and had the Tabernacle of Moses built are given over 16 consecutive chapters and His divine instructions for how and when it was to be used are given another 23 chapters in the Bible. Needless to say, by volume, the Lord is telling us that the Tabernacle of Moses is over 20 times more important to know about and study than all the rest of our created world. This 13-week study series, "God's Gospel in The Tabernacle" is immediately following the prayer meeting each Wednesday evening. Everyone is invited to attend one of the most important (but least studied) subjects that God used to reveal His gospel and plan for man's salvation over 1500 years before Jesus Christ was born!
