New Items on our Church App and our Website!

If you look under "Media" click on "Online Sunday School Classes". You can choose from different classes that meet on different days and times. Just click the one you want to join 5-10 minutes prior to the class. Make sure your video and audio are both marked "ON". You will need to make sure you have installed Google Meet App for Pastor Louis', and Pastor Hunter's class; and Zoom App for Patty Sue's class. You will need to install these apps on your device prior to joining these sessions.

We have also added a **tutorial video** on the App and website under "Media" that will give you step-by-step instructions for logging into an online Sunday School Class. Please call the church office if you need assistance.

Stay Connected With The Church App

There are a number of ways you can stay connected with Loris FBC even when in-person fellowship is not possible. Your Church App gives you the flexibility to communicate and engage with Loris FBC where ever you are. All sermon notes from Wednesday Bible Studies and Sunday Worship Services, along with a link to view the live-streaming videos, and more, is all at your fingertips. Please call the church office if you need assistance downloading the Church App.

Right Now Media

Just a reminder!! You can access Right Now Media through your Church App or online at www.rightnowmedia.org. This is a video library packed full of individual Bible book studies, women's studies, men's studies, children's videos, various training videos, and so much more!

Devotionals Available For Pickup

We have plenty of devotionals. Please pick them up at the church office. If you would like curb service, please call the church office and we will be happy to bring those to your car.

WHY SHOULD LORIS FBC PLANT CHURCHES IN HORRY COUNTY??

1) Because Church Planting grows the kingdom of God which is the Lord's mandate for us (Matt 28:19-20; Luke 4:43, 8:1)

2) Because there are currently not enough Baptist churches to reach the lost in Horry County. There are over 4000+ lost people per Baptist Church in Horry County. By 2040, there will be over 5000+ lost people per Baptist Church.

3) Longs' population will grow from 13,000 to 35,000 (15% annual growth rate) by 2040. We need at least 9 more Baptist churches in Longs area just to keep ratio between lost people and Baptist churches the same!

4) Loris population will grow by almost 10,000 people by 2040. So, we cannot possibly reach all these lost people without adding additional churches.

5) On average, new church plants grow faster and baptize more people per year than churches over 20 years old.

6) On average, churches that plant other churches grow faster than churches who do not (i.e. must be a God thing!!).

7) Loris has been involved with helping to plant churches in Israel over the past 5 years, but NONE in Horry County or America!

All these facts from the Southern Baptist Convention leads me, as your Senior Pastor, to think we need to be in prayer to discover what God wants the Loris FBC family to do about planting churches in Horry County.
