

Good News Club

We have a started a Good News Club at Loris Elementary as a means of taking the “Good News” of Jesus Christ to children who may not be attending a church and/or may have never heard of what Jesus has done for them. Our “Good News Club” meets once a week for two hours after school on the campus of Loris Elementary. During a “Good News Club” meeting, all of the children attending get to participate in singing, games, crafts, and hearing a Bible story that all contributes towards giving them a biblically-based exposure to just how much God loves them and what He has done to earn them access into Heaven.

If your child attends Loris Elementary we would love to have them be a part of our “Good News Club!”

GROW Kids Program

Wednesdays - 5:30 to 7:00 PM

Pre-K through 5th Grade

We will take kids through every major Bible story in three years. We spend an equal amount of time in the Old and New Testaments. The Old Testament is taught chronologically over the course of three years, while the New Testament is taught chronologically every year (with different stories each year), beginning with Jesus’ birth and ending with the early church. Plus, there is a fun new theme every month that will complement the teaching.

YOUTH

The “Unshakeable” youth ministry here at Loris First Baptist Church ranges from ages 6th-12th grade. We deal with everything from, Why was the Bible written, to the History of Belief. Our students are taught weekly to not only know the Bible but how to use it in everyday life as well. This practical application approach is paramount for living out their faith today. Along with Bible, teaching we also have time for tons of fun!! From Finger Rockets to Louisiana snow ball fights we never are lacking in fun and entertainment. We also have opportunities for our students to travel and serve The Lord through camps and missions trips all over the United States. We meet on Wednesday nights from 6:00 - 7:00pm, and have a hangout night on Sunday evenings from 5:00pm - 6:00pm.

Worship - Kid Style

Preschoolers ask a lot of questions, don't they? “Why is the sky blue?” “What's that?” “How come she...?” Curiosity causes them to ask questions as they seek to learn and understand more about their world. Worship Kids Style will help them answer questions they may have about Jesus' birth, what God wants them to do, and how they can help other people. Not only will we be teaching your preschoolers, we will have the opportunity to interact with you and your families.

Worship Kids Style meets on Sunday mornings during the morning worship times of 10:15am - 11:45am. It is for ages 3 years to 2nd grade. We would love to have your children come and join us for morning Worship!
