### What Giant Can Stand Against the Name of The Lord (1 Samuel 17:4-11, 16, 33-51 )

4 And a champion went out from the camp of the Philistines, named Goliath, from Gath, whose height was six cubits and a span. 5 He had a bronze helmet on his head, and he was armed with a coat of mail, and the weight of the coat was five thousand shekels of bronze. 6 And he had bronze armor on his legs and a bronze javelin between his shoulders. 7 Now the staff of his spear was like a weaver's beam, and his iron spearhead weighed six hundred shekels; and a shield-bearer went before him. 8 Then he stood and cried out to the armies of Israel, and said to them, "Why have you come out to line up for battle? Am I not a Philistine, and you the servants of Saul? Choose a man for yourselves, and let him come down to me. 9 If he is able to fight with me and kill me, then we will be your servants. But if I prevail against him and kill him, then you shall be our servants and serve us." 10 And the Philistine said, "I defy the armies of Israel this day; give me a man, that we may fight together." 11 When Saul and all Israel heard these words of the Philistine, they were dismayed and greatly afraid.

16 And the Philistine drew near and presented himself forty days, morning and evening. Israel. 47 Then all this assembly shall know that the Lord does not save with sword and spear; for the battle is the Lord's, and He will give you into our hands."
